## Wrestling - Helensburgh Highland Games - Sunday 14<sup>th</sup> June 2009

John Taylor European, 90kgs (14st 2lbs) champion surpassed himself in the Helensburgh Games open weight final when he met Frazer Hirsch of Dundee. Hirsch is the 2009 French 81 kgs champion, Scottish and British champion and last year won Grasmere Lakeland Sports, England's biggest traditional wrestling tournament, he is a wee bit lighter than John Taylor but despite the weight difference, the final was a hard bout, as all wrestlers are used to wrestling against heavier opponents. Taylor eventually won by 3 falls to 0, but it was the middle fall which was the most remarkable, Taylor swung Hirsch off the ground with a swinging hype then when his opponent was in mid air changed it into a cross buttock to create the most spectacular fall that this writer has ever seen.
